You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Law Library When? 3/21, 22, 26/2018
 What was their response? telling me to do something impossible or unreasonable
 What action was taken? blocking me from getting lawyers names & addresses out of Legal Directory

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Law Library staff are basically refusing to bring me Counties out of the Legal Directory so I can copy down Lawyers' names and addresses.

When I request a certain County out of the Legal Directory, I'm supposed to get a folder with all the Legal names and addresses for that county so I can copy names and addresses down. There's no way I can make a more specific request for information out of the Legal Directory. I'm looking for Lawyers' names and addresses to copy down so I can try to find a Lawyer to represent me.

Asking for a certain County of legal names & addresses is being as specific as I can be.

Action Requested to resolve your Complaint.

Make Law Library staff bring me the counties of legal names and addresses I ask for. Stop blocking me from access to courts.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because.

It failed to resolve the issue or give any relief whatsoever.

My Federal Rights are being violated by Law Library staff and Warden Deborah G. Cockrell while acting "Under Color of State Law" for T.D.C.J. which also increases my punishment above & beyond what the 158th Judicial District Court of Denton County, Texas sentenced me to on December 2nd, 2005, specifically by denying me proper access to courts, violating my due process rights, not giving me equal protection of the law, interfering with my protected conduct of using a Legal Directory to contact Law Firms/Lawyers in Texas, etc.

I should be able to have easy access to the Legal Directory so I can pick and choose Law Firms, Lawyers, etc. in Administrative Segregation like any other inmates in General Population, other prisons in the State of Texas, other prisons in the United States, etc. without refusing me Equal Protection of the Law, Denying me Access to Courts properly, Violating my Due Process Rights, etc.

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Low Library Staff When? 8-17-2018
 What was their response? We no longer have the "Offender Grievance Operations Manual."
 What action was taken? Denied information that helps me access the courts, Denied due process.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

This policy of removing the "Offender Grievance Operations Manual" from all Law Libraries in the "Texas Department of Criminal Justice" directly violates: my right to petition the Government for a redress of grievances, my due process rights, and my right of access to the courts. SEP 06 2018 AUG 29 2018

This removal of the "O.G.O.M." from all T.D.C.J. Law Libraries was done deliberately and is still being allowed with evil intentions & evil motives to interfere with the "Protected Conduct" of filing grievances & to stop inmates or offenders like myself from learning what policies in the O.G.O.M. may violate Federal Law that may need to be challenged in the Federal Courts as Unconstitutional & to impair or hamper litigation or access to courts about conditions of confinement. SEP 06 2018 AUG 29 2018

This removal of the O.G.O.M. was done in a conspiracy against the rights of offenders or inmates like myself and is still being allowed by the Chairman of the Texas Board of Criminal Justice Dale Wainwright, Correctional Institutional Divisions Director Lorie Davis, and Texas Department of Criminal Justice Executive Director Bryan Collier regardless of the fact that this action is in direct opposition of Federal Law and was done in retaliation for all the lawsuits inmates or offenders have filed over the years. They simply made it harder to use the Grievance System itself that we inmates have to use to exhaust all remedies before bringing a Federal Lawsuit to challenge violations of our rights in prison except in extreme circumstances or where no remedies exist. So what they did was actually a crime done intentionally and it is still being perpetrated...

Case 6:22-cv-00006-JCB-KMM Document 45-1 Filed 03/09/22 Page 6 of 45 PageID #: 1071
My First, Fifth, and Fourteenth Amendment Rights are being violated by Duke Wainwright, Lorie Davis, and Bryan Collier which also greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd 2005 which also violates my Eighth Amendment Rights deliberately. AUG 27 2018
SEP 06 2018

Lastly, it is self evident that the purpose of hiding the Offender Grievance Operations Manual was to cover-up its illegal contents or unconstitutional contents from inmates or offenders like myself who use the Grievance System or who may want to challenge the contents of the O.G.O.M. but anyone who examines my Grievance file alone will see that there's no relief in the Grievance System that's Internal & whos Staff are totally corrupt. System of the Internal Grievance abolished & replaced with Independent Oversight...

Action Requested to resolve your Complaint: A Full investigation coordinated with the O.I.G.. O.G.O.M. put back in all T.D.C.J. Law Libraries & examined for unconstitutionality & revised to match Federal Laws. Independent Oversight over Grievance System

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Low Library
 What was their response? "We do not have any of this."
 What action was taken? Inadequate Low Library / Burden on Access to Courts Rights

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I asked if the following items are in the Low Library that I need for the case I'm building for Totality of Conditions:

Food Services Policy & Procedure Manual, Incident Command System For Corrections Operations Manual, SM-05.03 Use & Management of Chemical Agents, The Regular Kitchen Monthly Menu, Any Operations or Policy Manual for Security Cameras & Retention of Security Data, and the Offender Grievance Operations Manual...

All of those things affect me directly and other incarcerated persons also. Those items affect the case I'm building against the very terrible Totality of Conditions I'm faced with each day especially since February 13th 2018 this year up til now and ongoing. Not having these items in the Low Library is being done deliberately to put a major burden on any litigation... How can we incarcerated people challenge something as being unconstitutional or inhumane when Prison Officials hide the information we need to bring that challenge? These Prison Officials such as C.I.D. Director Larie Davis, Executive Director Bryan Collier, and T.B.C.J. Chairman Dale Wainwright are violating my Human & Federal Rights and the Rights of all T.D.C.J. Prisoners throughout Texas...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I wrote the Access To Courts Supervisor an I-60 which I have a carbon copy of to request a Legal Phone Call with my Attorney "Tanika J. Solomon" or the "T.J. Solomon Law Group, PLLC" on 3-29-2019 and got no response up to this day.

Officer Aaron J. Watson claims that I cannot put in a request for a Legal Phone Call but the Orientation Handbook says otherwise and so does Federal and State Law. Then theres the fact that I'm still being held involuntarily in Solitary Confinement that Congress demanded to be shut down years ago and there is no access to a Phone like in General Population with its Blue Phones in all dayrooms so we can make Legal or Personal Phone Calls but of course I am immediately concerned with my Access To Courts & 1st Amendment Rights that are being denied to me along with the endless torture of being held captive in Solitary Confinement illegally.

Solitary needs to be shut down immediately and I should be given access to Phones where I can make Legal, Media, or Personal Calls as necessary without undue restraint and without violating my Freedom of Speech & Association with the "T.J. Solomon Law Group PLLC / Attorney Tanika J. Solomon" and without interfering with my Access To Courts Rights either? ~ 12 Building which is already out of compliance with Federal & State Law Health, Safety, and Building Codes also needs Phones installed on every section of every Pod in every dayroom on 12 Building.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

The restriction on Indigent Correspondence for Personal or General Use is completely Unconstitutional at only 5 one-ounce domestic letters per month or only 5 .50¢ stamps a month. This very clearly violates my First Admendment Right to Freedom of Speech & Association. It stops me from writing, speaking, expressing myself, or interacting with other people around the world on a regular basis such as family, friends, Religious Groups, Human Rights Organizations, loved ones, Civil Rights Groups, potential allies, Unions, etc.

Only 5 .50¢ stamps a month for Personal or General Use is not anywhere near enough to satisfy my First Admendment Right to Freedom of Speech and Association. This restriction has been in affect for years now in the Texas Department of Criminal Justice and it clearly violates the rights of all indigent incarcerated persons including myself and has nothing to do with any legitimate, neutral government interest and it does not leave open another way for indigent incarcerated persons to exercise their constitutional rights at all. It is a major form of very serious torture & oppression that has long caused me extreme mental & emotional pain & suffering which has added to my mental illness. It's wrong for the Leaders of Texas and the Texas Department of Criminal Justice to Violate Human & Civil Rights to save money. This restriction on indigent correspondence violates the Geneva Act and the Universal Declaration of Human Rights which are both Agreements made by the United Nations. MAY 02 2019

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

It did not resolve Grievance #2019122517 at all! In fact, Warden Charles O. Meador made no attempt to alleviate the serious oppression being caused by the insane restriction on Indigent Correspondence that's been going on for many years now since Ex-President Barack Obama was still in office over the Nation.

On top of that serious problem that has endlessly caused me mental & emotional pain & suffering for years, I've been forced to wrestle with Law Library Personnel here on Michael Unit such as many times when I turn in a Personal or Legal Pen for a replacement one, they either send back the empty pen with some nonsense reason for doing so or without any reason at all or I get no Pen back at all like what they just did to me on July 1st 2019 --- Or they refuse to allow me to even send out the whole 5 Personal Letters for a month like they just did to me for the month of June 2019 where I only sent out 4 Personal Letters last month and 4 Legal Letters but when I tried to send out my "last Personal Letter" for the month of June 2019 to: "Going Home Hawai'i" in Hilo, Hawaii on June 28th 2019, they sent it back to me lying and stating that I already utilized the maximum of 5 one ounce domestic letters per month for General Correspondence when in fact I did not but that behavior from the Law Library Personnel is simply part of the Conspiracy against my rights that has been ongoing ~>

Since February 13th 2018 here on Michael Unit by a bunch of Prison Officials & Staff in several Departments?

This restriction of Indigent Correspondence has contributed to my mental illness for years! It's all the way wrong and must be fixed!

Grievance Response:

Step 1 has addressed your complaint. The Texas Board of Criminal Justice approved a revision to BP-03.91, Uniform Offender Correspondence Rules, on 08/23/13 that states, "...An indigent offender may use indigent postage to send five (5) one-ounce domestic letters per month to general correspondents and five items per week to legal or special correspondents...Funds expended by the TDCJ for postage and stationary for indigent offender's shall be recouped by the TDCJ from funds later deposited in the offender's ITF account." No further action is warranted.
